Cynthia: members of the Windsor  
Garden Club,

Thank you for the beautiful  
wreath that you and Wendy dropped  
off to us last week. We cherish it  
on the door to the master stone  
portion of the building and we hope  
to share it here well past Christmas  
as it is decorated for winter. Nice.  
We appreciate your thoughtfulness.

Wendy & members of  
the Windsor Garden Club:

Thank you so very much  
for the lovely wreath  
that is displayed at  
the entrance of CRIS Radio.  
We greatly appreciate  
your efforts as well.  
Best,  
Diane Wouwer-Punt
